Lime Peak Quarries, M/049/047, Utah County, Utah

Dear Mr. Shields:

Thank you for your amended Notice of Intention to Commence Mining Operations, received by the Division on April 15, 2005. The application to substitute 1.1 acres to the east of the project (currently undisturbed) for 0.9 acres near the center of the project is hereby accepted. No further information is needed at this time. The Division evaluated the reclamation surety and contract for this amendment and has found the current surety and contract is acceptable for this amendment.

Thank you for your cooperation. When in the area, a member of the Division staff will examine the site. Best wishes with your mining operation.

Sincerely,

Susan M. White  
Mining Program Coordinator
